

Commercial transactions comprise risk. Some risk is obvious, other risk is more subtle. What is critical, is for an organisation to understand and manage all risk in a transaction and, at the same time, still deliver effective outcomes.

We are Commercial...

Here are some of the areas where we can give your business an edge:

Commercial Property:

- ✓ Office, retail, industrial & government leasing
- ✓ Site acquisition, development & disposal
- ✓ Planning & construction law & disputes
- ✓ Individual, group & syndicated ownership structures

Business Services:

- ✓ Mergers, acquisitions & disposals
- ✓ Business & high net worth succession planning
- ✓ Commercial finance & security documentation
- ✓ Contract advice, preparation & negotiation
- ✓ Effective asset protection & tax structures.

Corporate Advisory:

- ✓ Corporate governance
- ✓ Group restructures
- ✓ Employee share ownership
- ✓ Corporations Law advice

Having advised our clients in some of the region's most significant transactions, we have extensive experience in all of the above areas and understand the importance to you and your business of giving you the right advice.
